

Grade 7-8

Kermode Bear Pin Project
Complete this project to earn your pin!

1. What are the two species of bears that live in British Columbia?

2. Are Kermode bears black bears?

3. What colours can black bears be?

4. What do black bears like to eat?

5. What do grizzly bears like to eat?

6. Do bears change their diet according to the seasons?

7. Are bears true hibernators?

8. Do grizzly bears have short or long claws? What do they use them for?

9. Do black bears have short or long claws? What do they use them for?

10. Describe two human activities that you think would bother a grizzly bear:

11. Where are Kermode bears found in BC?

12. Why are Kermode bears rare?

13. To complete your Kermode bear project create a poster about Kermode bears! The poster must be at least 11.5 x 17 inches in size. Be creative! The poster must include information about what you learned about Kermode bears!
